

MD. FARDIN FARUK BHUIYAN

Jr. SQA Engineer | AI-Assisted Test Automation

Jr. SQA Engineer with hands-on experience in **manual and automation testing** across **fintech, e-commerce, and crypto** products. Builds UI/API automation with **Playwright, Postman/Newman, and JavaScript**, and extends coverage using **AI agents, LLM-driven automation scripts**, and **npm/MCP automation servers**. Strong in functional, regression, and **load testing (JMeter)**, defect tracking in **Jira**, and Agile delivery.

WORK EXPERIENCE

Jr. SQA Engineer

September 2025 – Present

Newroz Technologies Limited • Dhaka, Bangladesh

- Delivered end-to-end **Manual Testing** and **Automation Testing** for fintech, e-commerce, and crypto products across web and mobile
- Designed and executed test cases, regression suites, and defect workflows in **Jira** to improve release confidence
- Built reusable **Playwright** web automation and **Maestro** mobile flows to speed up regression cycles
- Performed **API Testing** with **Postman/Newman** and validated backend data integrity using **SQL**
- Executed **Performance Testing** and **Load Testing** with **JMeter**; investigated production issues via **AWS CloudWatch**
- Extended coverage with **AI agent-assisted automation, LLM-based scripts**, and **npm/MCP automation servers** in Agile/Scrum delivery

SAMPLE WORKS

Sample Works (Manual Testing)

- Test Case Writing
- API Testing Using Postman
- Load Testing using JMeter
- Mind Map

Sample Works (Automation Testing)

- Playwright automation using AI Agent (Planner, Generator and Healer)
- AI Agent-Driven Mobile Test Automation using Maestro MCP
- Web Automation Testing

EDUCATION

Bachelor of Science in Computer Science & Engineering

Southeast University | Jan 2022 – Oct 2025 | Dhaka, Bangladesh

CGPA: 3.80 / 4.00

Higher Secondary Certificate (HSC)

BAF Shaheen College Kurmitola | 2018 – 2020 | Dhaka, Bangladesh

GPA: 5.00 / 5.00

Secondary School Certificate (SSC)

Comilla Modern High School | 2016 – 2018 | Comilla, Bangladesh

GPA: 5.00 / 5.00
